Mission Statement

Provide consumers with natural solutions to help them achieve vibrant health and vitality throughout their lives. We offer superior quality natural health and beauty care products at exceptional values.

Celebrating over 100 Years of Keeping America Healthy

Company Overview

- Indiana Botanic Gardens, Inc. was founded in 1910 by Joseph E. Meyer in a small cottage in the back of his home in Hammond, Indiana.
- Joseph and his family gathered herbs from the nearby fields. They packed boxes, filled orders, fed the printing press, and even bound catalogs by hand with needle and thread.
- In 1918, the 400-page book, "The Herbalist" was printed and business expanded from the tiny cottage to a larger building.
- Today Indiana Botanic Gardens remains family owned and operated with over 150 dedicated employees, and international distribution.
- Located in Hobart, Indiana, just 30 minutes from downtown Chicago and 5 miles from beautiful Lake Michigan. Our 50,000 sq. ft. facility houses our fulfillment operation, manufacturing and quality control departments.

Famous Herbalist Catalog

Proud members of:

The Indiana Botanic Gardens Difference

Our Story

It started 4 generations ago, with a passion for bringing expertise and good health to all.

1910

Joseph E. Meyer founded Indiana Botanic Gardens in a small backyard shed, then later moved into its first headquarters in Hammond, Indiana. At first the business barely made living expenses. Meyer's seven sons and daughter helped gather herbs, pack boxes, and fill orders.

1925

With the annual publication of The Herbalist Almanac in 1925, the company begins to flourish.

The Almanac offered valuable medical information on common ailments of the day including malaria, tape worms, rheumatism and more.

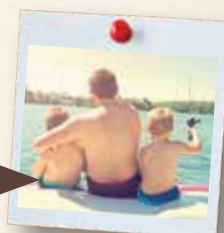

1930-1950

Chemist Francis D. Meyer, son of Joseph Meyer, in his lab with two assistants. Francis led the company from 1930-1968.

1960-1970

As the family grows, so does the business. During the 60s and 70s

Americans show a renewed interest in natural health and foods. Yogurt and granola become popular along with home and herbal remedies.

1980-1990s

Current President, Tim Cleland has led the company since 1980 with his sister and Vice President, Tammy Cleland.

2000

First website launched which included the Botanic Choice and new Botanic Spa line. The family's commitment to a natural lifestyle

is one they share with the public as well. The Joseph E. Meyer Memorial Pavilion located in the Taltree Arboretum & Gardens was dedicated in 2002.

2010

Indiana Botanic Gardens, Inc celebrates its 100th anniversary with an afternoon of food and fun for employees, vendors and suppliers who have contributed to its success.

2017

What started as one man's passion for naturally good health has evolved into a global cause. Today millions of customers trust Indiana Botanic Gardens, Inc for products and expertise to help them live better lives.

Our four-generation legacy continues...

Give Your Supplements *Time To Work!*

Vitamins and supplements take time to reach maximum effectiveness. The important thing is to take your proper dose, consistently, every day.

Certain vitamins, like Vitamin C, are water-soluble, so they're washed out of your system and need to be restored daily. Others, like Vitamins A, D and E are fat-soluble, and must be taken with food in order to be broken down and absorbed by your body. No absorption, no benefits.

Unfortunately, you can't flood your body with vitamins and minerals over night. Supplements work constantly over a few months to replace your body's depleted nutrients. Take comfort knowing that you're working towards good health, naturally. The time you invest will be well worth it.

Botanic Health®

Gluten Free

GMO Free

ingredients with **FloraGLO** LUTEIN

One of the key ingredients in Lutein Advantage is lutein. But we don't use ordinary lutein "esters" found in other vision formulas. We use FloraGLO® lutein because it's a special, patented, absorbable form of lutein your body can actually use. FloraGLO® lutein is the brand most recommended by doctors.*

Each daily dose delivers:

FloraGLO® lutein 15 mg. (from marigold flowers, *Tagetes erecta*) - Special patented, absorbable form of lutein which helps increase the density of the macula pigment.

Zeaxanthin 600 mcg. (from marigold flowers, *Tagetes erecta*) - Like lutein, Zeaxanthin is an antioxidant carotenoid that helps shield the macula, where the greatest protection is needed.

Vitamin A 10,000 IU (Beta-Carotene) - Great antioxidant for your entire body that supports eye health.

Taurine 200 mg. An amino acid that plays a role in good health.

Bilberry Extract 60 mg. 4:1 extract (berry) - Traditional herb for ocular health.

Alpha Lipic Acid 25 mg. Possesses antioxidant qualities for well being.

Thyroid Advantage

The Key to Sluggish Metabolism and Weight Management?

key benefits

- Works with your system to maintain healthy thyroid function
- Supports healthy weight, mood, body temperature, energy, digestion, cardiovascular system, hair, nails, and more

Although the thyroid weighs only about one ounce, it's got a big job.

product information

Package Type: HDPE Plastic Bottle (BPA free)

Pack: 12 per case

Shelf life: Within 2 years of production

Country of Origin: Manufactured in U.S.A.

Production Location: Hobart, Indiana

Unit UPC: 703308840278

Case UPC: 10703308840275

ingredients

Iodine 190 mcg. (as potassium iodide) - Essential for healthy thyroid function, yet with the reduction in salt intake, it's estimated 30 million Americans are lacking it.

Vitamin B6 100 mg. - Helps balance mood.

Vitamin B2 25 mg. - Immune system antioxidant.

Magnesium 310 mg. (as magnesium oxide) - Supports energy metabolism.

Manganese 10 mg. (as manganese sulfate) - For metabolism of carbohydrates and overall health.

Selenium 100 mcg. (as L-selenomethionine) - Promotes healthy thyroid function, healthy skin and hair.

Vitamin B3 50 mg. - Supports optimal energy, eases stress.

Vitamin B12 100 mcg. - Fights fatigue and supports red blood cell formation.

Vitamin B1 50 mg. - Helps convert carbs into energy.

Copper 1.5 mg. (as cupric oxide) - Helps a number of body functions, including energy.

L-tyrosine 100 mg. - Amino acid required for healthy thyroid hormone production. Benefits mental and physical stamina.

Zinc picolinate 25 mg. (as zinc picolinate) - Healthy thyroid metabolism.

Irish moss 75 mg. (dried plant) - A close relative of Kelp, supplies trace amounts of iodine, trace elements and tissue salts

ingredients

CHROMEMATE®

ChromeMate® brand niacin-bound chromium is a registered trademark of InterHealth N.I.

Not Your Ordinary "Foot Vitamins." We don't use ordinary B1, which is difficult for your body to absorb. Instead we use a special form of B1 called benfotiamine. Our team of researchers also found other vitamins and nutrients that give maximum support to nerves and enhance quality of life including...

B1 (Benfotiamine) 400 mg - Special form of B1 that supports overall nerve function and comfort and is especially beneficial when combined with other B vitamins.

B12 (methylcobalamine) 1000 mcg - An efficient form of B12 that fosters healthy nerve function.

B6 49 mg - Involved in over 100 metabolic reactions and has been studied for its effect on nerve health.

Biotin 1000 mcg - Also known as Vitamin H, biotin plays a role in the proper function of the nervous system.

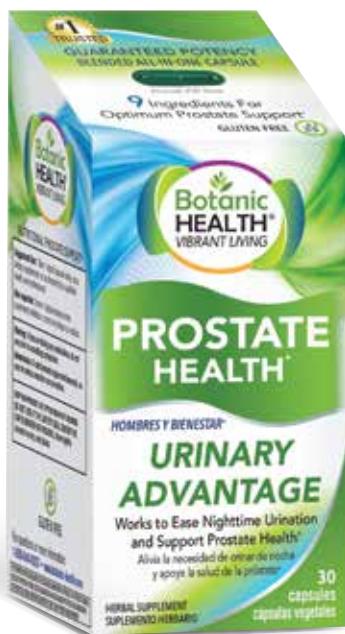

Chromium 400 mcg - Important for the efficient use of insulin, chromium is used in the metabolism of glucose.

Alpha lipoic acid 600 mg - the "universal antioxidant" that fights free radicals throughout the body.

DMG 49 mg - Plays a role in nervous system function and recently become popular for immune and circulation support.

These statements have not been evaluated by the Food & Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Urinary Advantage

Work to maintain normal prostate size

key benefits

- Support the ability to fully, completely empty the bladder
- Encourage healthy urine flow for natural prostate support
- Protect prostate cells with a unique combination of prostate vitamins and minerals
- Ease nighttime male urination

product information

Package Type: HDPE Plastic Bottle (BPA free)

Pack: 12 per case

Shelf life: Within 2 years of production

Country of Origin: Manufactured in U.S.A.

Production Location: Hobart, Indiana

Unit UPC: 703308840285

Case UPC: 10703308840282

ingredients

Saw Palmetto Extract 320 mg. — Chances are good you've heard about saw palmetto as a natural herbal supporter for urination and prostate health.

Proprietary Blend 50 mg. — Plant phytosterols and pygeum africanum powder (bark) for overall prostate health.

Lycopene (Lyc-O-Mato®) 5 mg. — A potent antioxidant found in tomatoes, lycopene is highly effective in providing protection for prostate tissues. Lyc-O-Mato® tomato lycopene is an all-natural extract of lycopene-rich tomatoes that provides a full complement of tomato carotenoids and other nutrients to benefit good health.

Vitamin E 100 IU. — 333% of Daily Value! An essential nutrient that protects cell membrane integrity and immunity.

Nettle Leaf Extract 240 mg. — We include nettle leaf extract for two important reasons: One, nettle leaf is a traditional herb that supports prostate health. Two, nettle leaf works to help maintain a healthy urinary tract. Standardized for 1% silica.

Selenium 200 mcg. — 286% of Daily Value! Did you know your prostate gland naturally contains high levels of this important trace mineral? But as you age, your selenium levels decline drastically, which isn't good for prostate health.

Pumpkin Seed Oil 50 mg. — Contains fatty acids which can enhance healthy cell development. Pumpkin seed is vital, yet often missing from many prostate formulas. It provides a balanced blend of fatty acids that have special benefits for your prostate.

Iodine 150 mcg. (from Kelp) — 100% of Daily Value! Provides nourishment to the prostate

Zinc 15 mg. — 100% of Daily Value! An essential mineral that's important to the total reproductive system.

Lyc-O-Mato® is a registered trademark of LycoRed Natural Products Industries, Ltd.

Case UPC: 10703308029359

ingredients

The ten vitamins, minerals and herbs in Bladder Advantage work to strengthen the bladder, smooth muscle tone, and support the health of your entire urinary tract.

Each powerful daily dose delivers:

Magnesium 350 mg. - to support muscle strength and tone

Cranberry Juice Concentrate 300 mg. - the traditional nutrient for bladder health

Melatonin 3 mg. - works to boost bladder capacity while also reducing urine volume. Contributes to bladder health including frequency and urgency. Also offers protection against oxidative stress.

Vitamin A 5,000 IU - important for a healthy immune function

Vitamin B12 50 mcg. - helps maintain a healthy nervous system, and important for delivering oxygen throughout the body

Vitamin D3 800 IU - provides nutrition for a healthy pelvic floor

Proprietary Blend 50 mg. each - of Black Haw, Cramp Bark, Damiana Leaf, and Uva Ursi. These herbs are historically known among Native Americans for supporting bladder and urinary health

Country of Origin: Manufactured in U.S.A.

Production Location: Hobart, Indiana

Unit UPC: 703308031034

Case UPC: 10703308031031

ingredients

Ease colon issues with the natural trio found in Colon Clear Advantage.

Each daily dose delivers:

Psyllium husk 1500 mg. — This is a super high fiber that “scrubs” the lining of your colon and GI tract of impurities and waste matter, gently, safely, effectively.

Gentian root 60 mg. — This unique root is a superior tonic for digestive issues. It helps your body better digest and assimilate food to encourage proper digestion

Slippery elm bark 42 mg. — Prized for centuries, slippery elm includes tannins that bind with tissue proteins and soothe irritated tissues in the colon.

Occasional colon cleansing is important to clear out the chemicals and other things you ingest like food preservatives, air pollution particles and agricultural chemicals in the air, water and soil.

Policosanol-Plus® **Sytrinol®**
New-Gar® *Healthy Heart*

Policosanol-Plus® is a registered trademark of Innovation Laboratories, Inc. New-Gar® is a registered trademark of Nature 4 Science, Inc. Sytrinol® branded blend of citrus and palm fruit extracts. (U.S. Patents 6987125 and 7683095). Sytrinol® is a registered trademark of InterHealth N.I.

Each daily dose delivers:

Sytrinol® 300 mg. is a proprietary blend that does three important things:

1. Works to block the absorption of cholesterol in the gastrointestinal tract. This is often an issue with genetic cholesterol factors.
2. Contributes to lessening the production of cholesterol and triglycerides in the liver. This helps contribute to balanced cholesterol levels in the bloodstream.
3. Does not appear to inhibit the production of CoQ-10 which is essential to energizing your heart muscle.

Policosanol-Plus® 10 mg. (sugar cane) - Helps maintain cholesterol levels already in the normal range.

Plus 12.5 mg. each. of

Grapeseed extract (inner core of fruit) [Standardized for 95% proanthocyanidins (11.88 mg)],

Green tea extract (dried leaves),

New-Gar® odor-controlled garlic (bulb) (Minimum of 10,000 ppm allicin yield) and

hawthorne extract (leaves and flowers) [Standardized for 1.8% vitexin-2-rhamnoside (0.23 mg)].

Liquid Extracts

Fast Acting and Easy to Swallow

Liquid extracts work faster and more completely than other forms of supplementation. There are no pills to swallow, no herbs to press or tea to steep, and liquid nutrients are absorbed quickly. Other advantages of liquid extracts include their ability to preserve active constituents, their long shelf life, and convenience. Just add them to water, tea or juice and enjoy a tasty, nutritional boost at home, work, or on-the-go.

Milk Thistle Liquid Extract 1 oz.

Time-Honored Liver Protector

Essential Oils

100% pure

Essential Oils are 100% pure oils, with nothing added. As noted some are for internal (flavoring) or external use (potpourri, ceramic rings, bath, massage). Wonderful long-lasting aromas.

Floral Oils

are blends used for scent. Ideal for potpourri or creating sachets, our natural floral oils delight and lift your senses. Used externally only.

HOMEOPATHY

What is Homeopathy?

Homeopathy is the second most widely used system of medicine in the world. It is a form of natural medicine widely practiced in the U.S.A., Europe and Asia. More than 6 million Americans regularly use homeopathic remedies as do several national healthcare systems around the world.

Product components are officially monographed in the Homeopathic Pharmacopoeia of the United States and contain only the finest, highest quality ingredients.

Acne Formula Naturally Clear Skin

- Assists in reducing the occurrence of acne and pimples
- Helps detoxify the system

Cold/Canker Sores Formula Put a End to Cold Sores

If you're struggling with cold sores on your lips, gums or mouth, this is the homeopathic formula for you.

Allergy Relief Formula Natural Relief for Allergies

- Ideal for indoor and outdoor irritants
- Supports clear sinuses and respiratory

Cold & Flu Formula For Fever, Chills, and Body Aches

For relief of symptoms of cold and flu such as fever, chills, body aches and pains plus congestion and sore throat.

Appetite Control Formula Support Weight Loss Naturally

This safe, natural formula provides your body with energy to help you achieve your weight loss goals.

Not available in California

Constipation Relief Formula Encourages Regularity

- Relieves occasional constipation
- Supports healthy, comfortable bowel movements

Bladder Confidence Formula Take Control Naturally

- Helps relieve poor bladder control
- Soothes and comforts bladder and urinary tract

Diarrhea Formula Combats Occasional Diarrhea

Natural formula combats diarrhea, soothes cramping, and cleanses your system.

Not available in California

These statements have not been evaluated by the Food & Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

HOMEOPATHY

Works Great!

"I have taken your Homeopathic Allergy Relief and have seen a dramatic decrease in my mold allergy. Much better than over-the-counter medicines that make me drowsy. Thank you!" L. K., California

All our homeopathic formulas are:

- Effective, results can be rapid
- Safe, few if any unwanted side effects reported
- Contain natural ingredients
- Non-addictive and non-habit forming

Eye Strain Formula

Relief for Tired Eyes

- Eases eye strain due to overwork or stress

Private Labeling Generates Greater Profits

Starting your own line has never been easier. We offer private labeling with a low minimum of 144 bottles. Plus, we can help you every step of the way — product development, packaging, compliance, design and more.

Why Private Label?

- Allows you to design and own your label
- Enables you to differentiate yourself from the competition
- Gives you the opportunity to compete with major health, grocery and natural food stores with quality and price

Why Indiana Botanic Gardens, Inc.?

- Huge variety of nutritional supplements and vitamins in stock
- Fast turn-around time

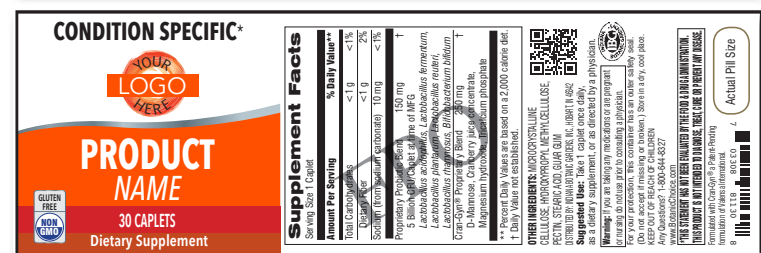

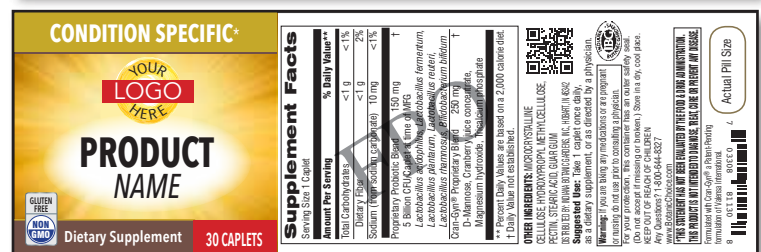

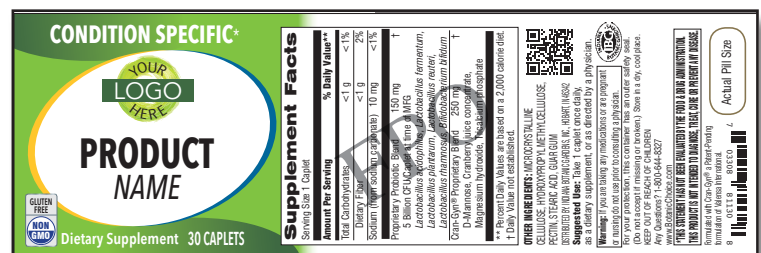

Private Labeling Guidelines

1. Use our templates - Featured at the top of this page. Choose from 3 templates make it faster, easier and more economical than ever to create your very own private label. All we need is your logo, company info. along with your product name. We'll take care of the rest.

2. Use our full service in-house creative services to design and produce your labels for a one time set up charge.

3. Provide your own artwork using one of our templates. Please call for details.
